5. Student Commitment Verification

I understand that this program requires me to travel and be away from work and home for 2 days in 2022. I understand that the training I will receive will only help my service if I am dedicated to sharing my knowledge with all other service members. I am committed to the completion of the program and, if selected to attend, I will be present at *both* days of training. My signature below indicates my full commitment to the Introduction to EMS Leadership Course.
